Thank you for your interest!

Report/Paper Formatting Requirements

The paper should be carefully edited by the author for the speed of publication of the electronic collection

The LENGTH of the article, including a list of references, tables and figures with captions, abstracts, should not exceed 4 pages of printed text.

The FILE NAME should begin with the surname of the first author in Latin (e.g., Ivanov.doc(rtf)).

PAGES of the report should be numbered. The UDC code should be indicated. An abstract (not more than 100-150 words) should be given at the beginning of the text in the language in which the paper is written. The abstract should summarize the content of the scientific work, giving a generalized idea of its topic and structure.

KEYWORDS (at least 5-6 keywords) should provide the most complete disclosure of the contents of the paper.

ALL information - authors, information about the authors, title of the paper, abstract and keywords - should be given in the language of the paper and in English.

TEXT should be typed in Word program of any version, sent by e-mail to the secretary of the selected section.

The FONT of the text is Times New Roman, A4 paper format (210*297 mm), font size - 12 pt. Single line spacing. Width-alignment. Paragraph indent - 0,8 cm. Margins upper, lower, left and right - 2 cm.

TABLES, figures, formulas should not have discrepancies in the symbols, signs. Figures should be clear, clean. Figures and tables must be referenced in the text. The number of formulas should be minimal. Formulas should be typed in an appropriate editor (for mathematical and chemical formulas). Tables should be titled; no empty columns are allowed in them. Conditional abbreviations and symbols should be explained in a footnote.

The Bibliography is to be formatted in accordance with GOST 7.1-2003 "Bibliographic record. Bibliographic description. General requirements and rules for compiling it".

The ABSTRACT in Russian and English (if the article is written in Kazakh) should consist of a full name of the author, a title of the article, a summary of the main results of the research, which should meet the requirements of information content and quality of translation (5-6 lines). Translation of **key words** is requested after each summary.

Sample report design

UDC

In the center are:
Initials and surname of the author/s (e.g.: I.V. Ivanov, S.P. Krylov)
Academic advisor - Full name of the supervisor, position, academic degree, academic rank
Full name of the institution that the author represents (indicating country and city).
If the authors are from different institutions, the correspondence between the author and the institution is set by superscript indices, for example, I.V. Ivanov[1] , S.P. Krylov[2]
[1]Kazakh National Al-Farabi University, Kazakhstan, Almaty
[2]Institute of Combustion Problems, Kazakhstan, Almaty

E-mail address of one of the authors.
Title of the article (bold spelling)

Abstract.
Key words.
Text of the article.
References/Bibliography

At the end of the article a translation of the following is needed in the other two languages (in turn): Full name of the authors, article title, summary and keywords (font size is 2 pins smaller than the main one).
